LAS VEGAS, NV**

RED ROCK CASINO RESORT & SPA

Powered by the American Biogas Council

BIOGAS AMERICAS is the biggest gathering of the US biogas industry and the annual conference of the American Biogas Council. This is a “must attend” event for anyone in the business of biogas – a place to meet with like-minded professionals, leadership and decision makers across the industry. With a focus on growing the biogas market through informing, training and networking with potential clients, vendors and industry champions, being part of this event is not an expense, it’s an investment. Don't just attend this event - be part of it. Secure the best sponsorship and exhibition opportunities now or your competitor will.

Venue

Nestled amongst the gateway to Red Rock Canyon and yet just 10 short miles from the Strip, Red Rock Resort offers the best of both worlds. Head west for stunning sandstone cliff – or travel east for the iconic lights of Las Vegas Boulevard. For BIOGAS AMERICAS, we’ll open our marketplace in their large Red Rock ballroom, and all our meeting rooms – fit for keynote, educational sessions, happy hours, Operator School and the Biogas Industry Awards Dinner – boast views of the natural red canyon surrounding the resort. For entertainment, options abound including award-winning dining venues with celebrity chefs, sandbar pool, bowling lanes with cosmic bowling, movie theater, spa and much more.

Become an ABC Member for Conference Benefits

ABC Members will receive discounts on registration and exhibit spaces. They will also get first choice within their tier for booth selection. Become an ABC member at americanbiogascouncil.org/join to receive these and other benefits.

Who's attending?

Based on our virtual events in 2020 and 2021, as well as interest expressed so far, we expect 400-600 attendees from across the entire biogas and renewable natural gas industry. Our audience includes project developers, equipment suppliers, service providers, utilities, operators, financiers, academics, legislators, members of the media and more. For a full breakdown of our past audience, based on job title, sector, and seniority, visit biogasamericas.com/why-attend.

Conference Sponsorship Opportunities

Find the full conference sponsorship package, below, that best fits your organization's business needs. Then, add any social event or a la carte sponsorship add-ons to boost your business further. Alternatively, choose an exhibitor opportunity on the next page and add a la carte sponsorships to fully customize your package.

Exhibitor-Only Opportunities

This year, we're offering three different booth sizes- 10'x10', 10'x20', and 10'x30'. Some sizes are limited. We're also offering two booth add-ons: upgrade to a premium location or be a stop on the Operator Tour. For additional traction to your booth, try adding an exhibitor hall sponsorship - an additional booth next to your booth featuring a coffee bar, popcorn, or even a yoga instructor!

Exhibitor Only [10'x30'] - \$10,000

- (1) conference registration
- (1) 10x30 exhibit space – in Premium location!
- Fifth tier pick in space selection
- Virtual presence on event app for lead collection
- Company name and link on biogasamericas.com

Exhibitor Only [10'x20'] - \$6,500

- (1) conference registration
- (1) 10x20 exhibit space – in Premium location!
- Fifth tier pick in space selection
- Virtual presence on event app for lead collection
- Company name and link on biogasamericas.com

Exhibitor Only [10'x10'] - \$3,000

- (1) conference registration
- (1) 10x10 exhibit space
- Fifth tier pick in space selection
- Virtual presence on event app for lead collection
- Company name and link on biogasamericas.com

ABC Member Discount

ABC Members receive 10% off exhibitor-only opportunities. To access the Member Discount code, please login to the the Members Only portion of the ABC website. The code is right on the welcome page.

Booth Location Selection

Booth selection will take place in February. Booths will be chosen in tiers, starting with the highest sponsors (first Title, then Elite, then Prime, then Support) and ending with exhibitors. Within each tier, companies will be able to choose their booths on a first-come, first-serve basis. Staff will let you know before the process begins which date your booth selection is expected to take place. If you purchase a booth as part of a sponsorship or separately, you are guaranteed a space, but lack of response within your timeslot will forfeit your choice of space. We will do our best to accommodate your schedules. See the preliminary floor plan on the next page.
