Fuel & Power Your Body

After your meal, come up to the 27th floor to catch the breathtaking views of the Rocky Mountains at **Peaks**. Whether you've been out and about in the Mile High City all day, or you've been hanging around the hotel- come on it, sit back, and enjoy the view.

Stick to your exercise regimen with an invigorating workout in our 24-hour gym on the 5th floor.

With state-of-the-art machines, keep your body moving with an array of strength training and cardio equipment, including Peloton bikes. After that, take a dip in our indoor pool or outdoor hot tub, located adjacent to the gym. Available from 5am-10pm, this is the perfect spot to keep up with your workouts on the go or relax with the city views as your backdrop.
